Re: ***United States v. Nicholas Tartaglione***
16 Cr. 832 (KMK)

Dear Honorable Karas:

I write on behalf of the defense to offer our consent to the process for the Court's further review of the potential Brady material provided by government for in camera review which the Court outlined at our last conference. We ask only that the Court consider whether the defense might also be helpful to the Court's deliberative process.

Thank you for your consideration.

Respectfully submitted,
